Ubiquiti ES-8-150W UISP EdgeSwitch 8 PoE

SKU / Model: ES-8-150W

Product overview

? Product Name Ubiquiti ES-8-150W UISP EdgeSwitch 8 PoE 8-Port Gigabit Managed Switch with SFP Uplinks and 150W PoE Budget ? Product Overview The Ubiquiti ES-8-150W UISP EdgeSwitch 8 PoE is a fully managed Gigabit switch designed for enterprise and service provider networks. It combines high-performance switching, advanced management features, and robust Power over Ethernet support. With eight Gigabit RJ45 ports and two SFP uplink ports, the EdgeSwitch 8 PoE provides seamless integration of copper and fiber connections while delivering up to 150W of PoE power to connected devices such as access points, cameras, and VoIP phones. ? Top Highlights ? 150W PoE Budget Powers multiple devices including APs, cameras, and phones ? 8 Gigabit RJ45 Ports High-speed connectivity for LAN devices ? 2 SFP Uplink Ports Fiber integration for extended network reach ? Advanced Management Layer 2 switching with Layer 3 routing capability ? Rack-mountable Design Compact form factor with efficient cooling ? Technical Details Specification Details Total Ports 10 (8 Gigabit RJ45, 2 Gigabit SFP) PoE Standard 802.3af/at PoE+ PoE Budget 150 W maximum Switching Capacity 20 Gbps Forwarding Rate 14.88 Mpps Processor Dual-core, 800 MHz MIPS64 System Memory 256 MB DDR3 RAM Flash Storage 16 MB NOR + 256 MB NAND Max Power Consumption 150 W Input Voltage 100 240V AC, 50/60 Hz Dimensions 210 ×185 ×43 mm Weight 1.75 kg Operating Temperature -5 to 40 ℃ Operating Humidity 10 to 90% non-condensing Certifications CE, FCC, IC ? Why You Should Buy It ? Combines copper and fiber connectivity in one compact switch ? Provides robust PoE power for multiple devices ? Managed features with intuitive configuration options ? Reliable performance for enterprise and service provider networks ? Recommended Use Cases ? Powering UniFi access points and IP cameras ? Small business or branch office networks ? Service provider edge deployments ? Mixed copper and fiber infrastructure integration ? Customer Assurance ? Warranty / Guarantee: Coverage available through manufacturer support ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via your reseller or distributor ? Call to Action Empower your network with the EdgeSwitch 8 PoE for reliable switching and intelligent power delivery. Thanks for choosing YOUR TRUSTED IT PARTNER.
