TP-Link Omada OC220 Hardware Controller

SKU / Model: OC220

Product overview

? Product Name TP-Link Omada OC220 Hardware Controller Cloud-enabled centralized management for Omada access points, switches, and gateways ? Product Overview The TP-Link Omada OC220 is a dedicated hardware controller designed to streamline and centralize the management of Omada SDN devices. With cloud access, intuitive dashboards, and enterprise-grade reliability, it enables IT administrators to configure, monitor, and optimize networks across multiple sites with ease. Ideal for businesses, hotels, schools, and retail environments, it ensures secure, scalable, and efficient network operations. ? Top Highlights ? Centralized Management Control Omada access points, switches, and gateways from one interface ? Cloud Access Manage networks remotely with secure cloud connectivity ? Intuitive Dashboard Real-time monitoring and visualized traffic analytics ? Enterprise Security Role-based access and WPA3 support ? High Reliability Dedicated hardware ensures stable performance for large-scale deployments ? Technical Details Specification Details Management Capacity Up to 500 Omada devices, 15,000 clients Cloud Access Yes, via Omada Cloud service Interfaces 1×Gigabit Ethernet port Storage 8GB eMMC Memory 2GB DDR3 RAM Processor Quad-Core CPU Power Supply 12V DC / 1A Dimensions 5.0 ×4.0 ×1.0 in (approx.) Mounting Desktop or rack-mountable Operating Temperature 0℃ 40℃ ? Why You Should Buy It ? Simplifies multi-site network management ? Ensures enterprise-grade stability and security ? Scales easily with growing business needs ? Provides remote access and monitoring via cloud ? Recommended Use Cases ? Business offices with multiple floors ? Hotels and hospitality networks ? Schools and universities ? Retail chains and branch networks ? Customer Assurance ? Warranty / Guarantee: Coverage available through manufacturer support ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Take control of your Omada network with the OC220 and simplify enterprise connectivity today. Thanks for choosing YOUR TRUSTED IT PARTNER.

Specifications

Region: UN
EAN: 1210002602457
Pack Size: 40PCS
