Dell 400-BOKD M.2 512GB PCIe NVMe Gen 4 Class 40 SED Solid

SKU / Model: 400-BOKD

Product overview

? Product Name Dell 400-BOKD M.2 512GB PCIe NVMe Gen 4 Class 40 Self-Encrypting Drive (SED) enterprise-grade performance, advanced security, compact M.2 form factor ? Product Overview The Dell 512GB PCIe NVMe Gen 4 Class 40 Solid State Drive (400-BOKD) delivers exceptional speed, reliability, and security for modern business systems. With self-encrypting drive (SED) technology, it ensures data protection while offering lightning-fast read and write speeds. Compact in M.2 form factor, it is ideal for desktops and workstations requiring high-performance storage with enterprise-level safeguards. ? Top Highlights ? PCIe Gen 4 NVMe Ultra-fast data transfer speeds ? Self-Encrypting Drive (SED) Hardware-based security for sensitive data ? M.2 2280 Form Factor Compact design for modern systems ? Enterprise-Class Reliability Built for demanding workloads ? 512GB Capacity Balanced storage for OS, applications, and data ? Technical Details Specification Details Model Number 400-BOKD Drive Type M.2 PCIe NVMe Solid State Drive Capacity 512GB Interface PCIe Gen 4 x4 NVMe Form Factor M.2 2280 Performance Class Class 40 Encryption Self-Encrypting Drive (SED) Read Speed Up to ~7,000 MB/s (sequential) Write Speed Up to ~5,200 MB/s (sequential) Compatibility Dell desktops, workstations, and supported systems Warranty 3 Year Limited ? Why You Should Buy It ? Lightning-fast PCIe Gen 4 performance ? Hardware-based encryption for secure data ? Compact M.2 design saves space ? Enterprise-grade reliability for professional workloads ? Recommended Use Cases ? High-performance desktops and workstations ? Secure business environments requiring encryption ? Content creation and data-intensive applications ? Fast OS and application boot drive ? Customer Assurance ? Warranty / Guarantee: Coverage available through manufacturer support ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Boost speed and security choose the Dell 512GB PCIe Gen 4 Class 40 NVMe SSD today. Thanks for choosing YOUR TRUSTED IT PARTNER.
