Cisco C9000 Fan module, w/MERAKI (FAN-T2-M)

SKU / Model: FAN-T2-M

Product overview

? Cisco Catalyst 9000 Fan Module with Meraki Integration (FAN-T2-M) Cisco Catalyst 9000 Fan Module, engineered for efficient cooling and optimized airflow in Catalyst 9000 Series switches, with Meraki cloud-managed integration for simplified monitoring and management. ? Product Overview The Cisco FAN-T2-M is a hot-swappable fan module designed to maintain optimal operating temperatures in Cisco Catalyst 9000 Series switches. With Meraki integration, it enables proactive monitoring and ensures reliable system performance. Built for enterprise environments, it provides redundancy and resilience for mission-critical deployments. ? Top Highlights ? Efficient Cooling Maintains optimal airflow for Catalyst 9000 switches ? Hot-Swappable Design Enables replacement without downtime ? Meraki Integration Cloud-managed monitoring and alerts ? Enterprise Reliability Ensures consistent performance in demanding environments ? Scalable Deployment Supports redundancy for large-scale networks ? Technical Details Specification Details Model Cisco FAN-T2-M Component Type Fan module for Catalyst 9000 Series Cooling Method Front-to-back airflow Installation Hot-swappable, tool-less installation Compatibility Cisco Catalyst 9000 Series switches Monitoring Meraki Dashboard integration Reliability Designed for redundancy and continuous operation Form Factor Compact module, rack-compatible ? Why You Should Buy It ? Ensures optimal cooling for Catalyst 9000 switches ? Hot-swappable design minimizes downtime ? Cloud-managed monitoring via Meraki Dashboard ? Provides redundancy for mission-critical deployments ? Recommended Use Cases ? Enterprise data centers ? High-density campus networks ? Mission-critical branch deployments ? Cloud-managed hybrid environments ? Customer Assurance ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Keep your Catalyst 9000 switches running at peak performance with the Cisco FAN-T2-M cooling module. Thanks for choosing YOUR TRUSTED IT PARTNER.
