

2-Port PCIe RS232 Serial DB9 Adapter Card

SKU / Model: 4505146

Product overview

The 2-Port PCIe RS232 Serial DB9 Adapter Card allows you to add two serial ports to your computer via a PCIe slot. This adapter is ideal for connecting serial devices such as modems, printers, and other peripherals that require a DB9 connection. It supports standard RS232 communication and is compatible with various operating systems. Easy to install and configure, this card is perfect for expanding your system's connectivity options.
