

Bambu Lab FAF012 Part Cooling Fan Air Duct - H2D Pro,H2D

SKU / Model: FAF012

Product overview

? Product Name Bambu Lab FAF012 Part Cooling Fan Air Duct Compatible with H2D Pro and H2D Series ? Product Overview The Bambu Lab FAF012 Part Cooling Fan Air Duct is a precision-designed airflow channel for H2D Pro and H2D printers. It directs cooling air from the part cooling fan onto the printed layers, improving surface finish, bridging performance, and overall print quality. As a replacement component, it restores optimal cooling efficiency and ensures consistent results in demanding print jobs. ? Top Highlights ? Optimized Airflow Channels cooling air directly to the printed part ? Precise Fit Designed for H2D Pro and H2D printers ? Easy Replacement Simple installation with standard mounting points ? Durable Construction Built to withstand continuous operation ? Enhanced Print Quality Improves bridging, overhangs, and surface finish ? Technical Details Specification Details Model Number FAF012 Component Type Part Cooling Fan Air Duct Compatibility Bambu Lab H2D Pro, H2D Primary Function Directs airflow from cooling fan to printed layers Installation Method Direct replacement with screw-mounted fit Material Durable engineered plastic Dimensions Approx. 60 ×40 ×30 mm Packaging Size Approx. 80 ×60 ×40 mm Packaging Weight Approx. 0.03 kg ? Why You Should Buy It ? Improves cooling efficiency for better print quality ? Compatible with H2D Pro and H2D printers ? Quick installation with precise fit ? Durable design for long-term use ? Recommended Use Cases ? Replacing damaged or worn air ducts ? Enhancing cooling for complex geometries and overhangs ? Supporting consistent print quality in high-volume workflows ? Maintaining airflow efficiency in H2D Pro/H2D printers ? Customer Assurance ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Boost cooling efficiency and print quality add the FAF012 Air Duct today. Thanks for choosing YOUR TRUSTED IT PARTNER.
