MOZA Racing AS011 MOZA AY210 Force Feedback YOKE

SKU / Model: AS011

Product overview

? Product Name MOZA Racing AS011 AY210 Force Feedback Yoke Dual-Handle Flight Simulator Control System ? Product Overview The MOZA Racing AS011 AY210 Force Feedback Yoke is designed for flight simulation enthusiasts and professionals seeking authentic control. Featuring dual handles, high-torque force feedback motors, and aerospace-grade construction, it replicates the feel of real aircraft yokes. With advanced adjustability and seamless PC integration, it delivers unmatched realism for training and immersive flight experiences. ? Top Highlights ? Dual-Handle Design Authentic aircraft-style control ? Force Feedback Motors Realistic resistance and tactile response ? Aerospace-Grade Build Durable and precise construction ? Adjustable Settings Customize resistance and sensitivity ? PC Compatibility Works with major flight simulation titles ? Technical Details Specification Details Model Reference AS011 / AY210 Control Type Force Feedback Flight Yoke Handle Design Dual-handle aircraft-style Force Feedback High-torque motor system Construction Aerospace-grade alloy and precision components Adjustability Resistance and sensitivity customization Connectivity USB interface, plug-and-play Compatibility PC flight simulation software Use Case Flight training and immersive simulation ? Why You Should Buy It ? Realistic force feedback for authentic flight feel ? Dual-handle design replicates real aircraft yokes ? Durable aerospace-grade construction ? Seamless PC integration for flight simulators ? Recommended Use Cases ? Flight simulation training ? Professional pilot practice setups ? Enthusiast-level flight rigs ? Immersive aviation experiences on PC ? Customer Assurance ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Elevate your flight simulation with the MOZA AY210 Force Feedback Yoke precision in every maneuver. Thanks for choosing YOUR TRUSTED IT PARTNER.
