NEC Ultra-Short Throw Projector UM301WG

SKU / Model: UM301WG

Product overview

The NEC Ultra-Short Throw Projector UM301WG is designed for environments where space is limited. It provides exceptional image quality and versatility, making it suitable for educational and professional settings. With its ultra-short throw capabilities, it can project large images from a very short distance, reducing shadows and glare. This projector supports various connectivity options and features advanced technology for enhanced performance.
