Synology RAM module for RS820+/ RS820RP+

SKU / Model: D4ECSO-2666-16G

Product overview

? Product Name Synology D4ECSO-2666-16G RAM Module 16GB DDR4-2666 ECC SODIMM, Official Synology Memory Upgrade for FS1018, DS3617xs, DS3018xs, DS2419+, DS1819+, DS1618+, RS1221+, RS1221RP+, RS820+, RS820RP+ ? Product Overview The Synology D4ECSO-2666-16G is a 16GB DDR4 ECC SODIMM memory module engineered for high-performance Synology NAS systems. It enhances multitasking, supports error correction for data integrity, and ensures stable operation under demanding workloads. Certified by Synology, it is recommended for users seeking reliable upgrades with full warranty support across a wide range of compatible models. ? Top Highlights ? 16GB Capacity Expands memory for virtualization, file services, and multitasking ? DDR4-2666 ECC SODIMM Error-correcting memory for mission-critical environments ? Synology Certified Guaranteed compatibility with supported NAS models ? Performance Boost Improves responsiveness and system throughput ? Warranty Supported Full coverage when installed in qualified Synology systems ? Technical Details Specification Details Model Number D4ECSO-2666-16G Capacity 16GB Type DDR4 ECC SODIMM Speed 2666 MT/s ECC Support Yes Form Factor SODIMM Warranty 5 Years (when used in supported Synology NAS) Applied Models FS1018, DS3617xs, DS3018xs, DS2419+, DS1819+, DS1618+, RS1221+, RS1221RP+, RS820+, RS820RP+ ? Why You Should Buy It ? Official Synology memory module with full warranty support ? ECC protection ensures data integrity in business-critical environments ? Boosts performance for virtualization, file sharing, and backup tasks ? Guaranteed compatibility with enterprise Synology NAS models ? Recommended Use Cases ? Memory expansion for Synology NAS systems ? Virtual machine hosting and Docker containers ? Business file sharing and backup operations ? High-load environments requiring ECC protection ? Customer Assurance ? Warranty / Guarantee: Coverage available through Synology when installed in supported models ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via Synology and authorized resellers ? Call to Action Upgrade your Synology NAS with certified ECC memory for dependable performance and enterprise-grade reliability. Thanks for choosing YOUR TRUSTED IT PARTNER.

Specifications

Vendor Part Number: D4ECSO-2666-16G
UPC: 846504003679
Manufacturer: Synology
