

OEM 12U66P060 12U Wall Cabinet 600MM (W) X 600MM (D) X 637

SKU / Model: 12U66P060

Product overview

12U Wall Cabinet 600mm (W) x 600mm (D) x 637mm (H) (12U66P060) The 12U Wall Cabinet (12U66P060) is a robust and space-efficient solution for securely housing your networking, server, and IT equipment. Designed to maximize vertical space, this wall-mountable cabinet fits seamlessly into offices, server rooms, or small data closets. With a depth of 600mm, width of 600mm, and height of 637mm, it provides ample room for switches, routers, patch panels, and other rack-mounted devices. Built with durable steel construction, it ensures safety and stability while protecting your equipment from dust, tampering, and accidental damage. Its vented panels allow proper airflow to prevent overheating, and it features lockable doors for added security. Easy to install and maintain, this cabinet is perfect for businesses and IT professionals looking for a reliable, compact rack solution.

Top Highlights? Secure wall-mounted cabinet for networking and server equipment? Compact 12U size for efficient space usage? Lockable doors for enhanced security? Vented panels for optimal airflow and heat dissipation? Durable steel construction for long-lasting reliability
