ARGON BO-RP14-AG-ONE Argon One Raspberry Pi 4 Model B Al

SKU / Model: BO-RP14-AG-ONE

Product overview

? Product Name ARGON BO-RP14-AG-ONE Argon One Raspberry Pi 4 Model B Aluminum Case V2 Enhanced cooling, dual full-size HDMI, safe shutdown, GPIO access ? Product Overview The Argon One V2 is a premium aluminum enclosure designed to elevate the Raspberry Pi 4 experience. It features improved thermals with active and passive cooling, dual full-size HDMI ports for dual monitor support, and a built-in IR receiver for remote control integration. With safe shutdown functionality and accessible GPIO via a removable magnetic cover, it s ideal for desktop, media center, and embedded applications. ? Top Highlights ? Active + Passive Cooling Built-in fan and aluminum body for efficient heat dissipation ? Dual Full-Size HDMI Supports dual monitor output with standard HDMI cables ? Safe Shutdown Feature Protects data and hardware with included power management script ? IR Receiver Pre-installed for remote control functionality ? Accessible GPIO Magnetic cover allows easy access to GPIO pins ? Technical Details Specification Details Material Aluminum alloy with plastic base Cooling System Active fan + passive heatsink integration HDMI Ports 2 ×full-size HDMI (supports dual display) IR Receiver Pre-installed, compatible with remote control scripts GPIO Access Accessible via removable magnetic cover Power Management Supports safe shutdown and reboot via included script Compatibility Raspberry Pi 4 Model B (all RAM variants) Dimensions Approx. 95 ×65 ×35mm ? Why You Should Buy It ? Premium aluminum build with smart cooling ? Dual HDMI ports for full desktop experience ? Safe shutdown protects your Pi and data ? GPIO access for development and prototyping ? Recommended Use Cases ? Raspberry Pi desktop workstation ? Home media center with remote control ? STEM education and GPIO prototyping ? Embedded systems with thermal management ? Customer Assurance ? Warranty / Guarantee: Coverage available through manufacturer support ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Upgrade your Raspberry Pi 4 with the Argon One V2 smart, sleek, and built to perform. Thanks for choosing YOUR TRUSTED IT PARTNER.
