

Bambu Lab FAE025 Dual Extruder Gears - H2D,H2D Pro

SKU / Model: FAE025

Product overview

? Product Name Bambu Lab FAE025 Dual Extruder Gears Compatible with H2D and H2D Pro Series ? Product Overview The Bambu Lab FAE025 Dual Extruder Gears are precision-machined components designed to deliver stable and accurate filament feeding in H2D and H2D Pro printers. By using a dual-gear mechanism, they provide enhanced grip on filament, reduce slippage, and improve extrusion consistency across a wide range of materials. These gears are essential replacement parts for maintaining high-quality prints and reliable performance. ? Top Highlights ? Dual-Gear Drive Provides strong grip and smooth filament feeding ? Precision Machining Ensures accurate extrusion with minimal slippage ? Easy Replacement Direct fit for H2D and H2D Pro extruders ? Durable Construction Built to withstand continuous operation ? Optimized Compatibility Designed specifically for H2D and H2D Pro printers ? Technical Details Specification Details Model Number FAE025 Component Type Dual Extruder Gears Compatibility Bambu Lab H2D, H2D Pro Primary Function Provides dual-gear filament feeding for improved extrusion accuracy Installation Method Direct replacement in extruder assembly Material Hardened steel, precision-machined Drive Mechanism Dual counter-rotating gear system Supported Filaments PLA, ABS, PETG, PC, PA, composites Packaging Size Approx. 60 x40 x30 mm Packaging Weight Approx. 0.05 kg ? Why You Should Buy It ? Provides stronger grip for consistent filament feeding ? Compatible with H2D and H2D Pro printers ? Quick installation with precise fit ? Durable hardened steel gears for long-term use ? Recommended Use Cases ? Replacing worn or damaged extruder gears ? Maintaining reliable extrusion in H2D/H2D Pro printers ? Supporting high-volume and multi-material printing ? Ensuring consistent print quality with precise filament feeding ? Customer Assurance ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Upgrade your H2 extruder performance add the FAE025 Dual Extruder Gears today. Thanks for choosing YOUR TRUSTED IT PARTNER.
