MONTECH METAL-120-PWM

SKU / Model: METAL-120-PWM

Product overview

? Product Name MONTECH METAL 120 PWM High-Performance 120mm Cooling Fan 4-Pin PWM, Metal Bearing Hub, Airfoil Blade, Anti-Vibration Pads ? Product Overview The MONTECH METAL 120 PWM is a performance-oriented 120mm cooling fan engineered for high static pressure and quiet operation. Featuring a strengthened metal bearing hub, industrial-grade 6-pole motor, and airfoil-shaped blades, it delivers efficient airflow with minimal noise. Ideal for CPU coolers, radiators, and chassis ventilation, it includes 8 anti-vibration pads and supports 4-pin PWM control for dynamic speed adjustment. Built for durability and stability, it s a top-tier choice for demanding cooling setups. ? Top Highlights ? 120mm Fan Size Compatible with most cases and coolers ? Metal Bearing Hub Enhanced durability and stability ? Airfoil Blade Design Optimized for static pressure and airflow ? PWM Control 4-pin connector for automatic speed regulation ? Quiet Operation Two-time dynamic balancing and 26 dB noise level ? Technical Details Specification Details Model METAL-120-PWM Fan Size 120mm ×120mm ×25mm Connector Type 4-Pin PWM Voltage 12V DC Rated Power 1.8W Max RPM 1950 RPM Airflow High static pressure optimized Noise Level 26 dB(A) Bearing Type High-end HDB (Hydraulic Dynamic Bearing) Motor Type Industrial-grade 6-pole motor Anti-Vibration 8 integrated pads Lifespan Up to 400,000 hours Color Black with metal accents ? Why You Should Buy It ? Built for high static pressure cooling ? Durable metal hub and industrial motor ? Quiet and balanced operation ? Ideal for radiators, CPU coolers, and airflow optimization ? Recommended Use Cases ? High-performance CPU air coolers ? Radiator fan replacement for liquid cooling ? Chassis airflow optimization ? Silent workstation builds ? Customer Assurance ? Warranty / Guarantee: Coverage available through MONTECH support ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official MONTECH channels and authorized resellers ? Call to Action Upgrade your cooling setup with MONTECH METAL 120 PWM engineered for airflow, silence, and durability Thanks for choosing YOUR TRUSTED IT PARTNER.
