REOLINK FE-W 6MP WiFi 360° Panoramic Fisheye Camera WC3K

SKU / Model: WC3K02W

Product overview

Reolink FE-W-W: 6MP WiFi 360° Panoramic Fisheye Camera 360° Panoramic View: The Reolink FE-W offers a full 360° panoramic view, eliminating blind spots and ensuring complete surveillance of your indoor environment. The fisheye lens technology captures every angle in high-definition, making it an ideal choice for large rooms or open spaces. 2K+ 6MP Resolution: With its 2K+ 6MP resolution, this camera delivers exceptionally clear and detailed video footage. Enjoy sharp and vibrant images, whether it’s day or night, thanks to the camera’s superior image quality. Dual-Band WiFi Connectivity: The Reolink WiFi FE-W supports both 2.4GHz and 5GHz WiFi networks, offering flexible installation options and ensuring a stable and reliable connection. This dual-band capability helps minimize interference and improves overall performance. Advanced Motion Detection: Equipped with advanced motion detection technology, the camera alerts you to any unusual activity. Customize motion zones and sensitivity settings to reduce false alarms and focus on critical areas. Easy Installation and Setup: The Reolink FE-W is designed for easy installation and setup. Its intuitive mobile app allows you to view live feeds, access recorded footage, and manage camera settings effortlessly from your smartphone or tablet. Night Vision: The camera’s night vision feature ensures continuous monitoring even in low-light conditions. With infrared LEDs, it provides clear video footage in complete darkness, offering round-the-clock security. Two-Way Audio: Communicate with anyone in the camera’s vicinity using the two-way audio feature. This functionality allows you to hear and speak to people through the camera, adding an extra layer of interaction and control. Secure Cloud Storage and Local Storage Options: The Reolink FE-W supports secure cloud storage for your video recordings, as well as local storage options via microSD card. Choose the storage solution that best fits your needs and preferences. Video & Audio Image Sensor 1/2.5" CMOS Sensor Lens f=1.98mm F=2.0 Video Format H.264 Field of View Horizontal: 180° ; Vertical: 180° ; Diagonal: 180° Infrared Night Vision Up to 8 Meters (26 ft); LED: 3pcs/850nm Video Resolution Default: 2560 x 2560 (6.5 Megapixels)@20fps Video Format H.265 Day & Night IR-cut filter with auto-switching Audio Two-Way Audio Power DC Power DC 12.0V?1A, <12W Power DC power port Ethernet 1 x 10 M/100 Mbps; RJ 45 Audio Built-in Microphone & Speaker System Reset Button Storage microSD card slot (Max. 256GB)
