

TP-Link Omada SM6110-LR 25GBase-LR SFP28 LC Single-Mode

SKU / Model: SM6110-LR

Product overview

? Product Name TP-Link Omada SM6110-LR 25GBase-LR SFP28 LC Single-Mode Fiber Transceiver ? Product Overview The TP-Link Omada SM6110-LR is a 25GBase-LR SFP28 transceiver designed for high-speed, long-range fiber connectivity in enterprise networks. Supporting single-mode fiber with LC duplex connectors, it delivers reliable data transmission up to 10 km. Fully compatible with Omada switches and routers, it ensures seamless integration, low latency, and stable performance for demanding business applications. ? Top Highlights ? 25G High-Speed Transmission Ultra-fast data throughput for enterprise workloads ? Long-Range Connectivity Supports up to 10 km over single-mode fiber ? LC Duplex Interface Standardized connector for easy deployment ? Omada Compatibility Seamless integration with Omada switches and routers ? Reliable Performance Low latency and stable transmission for critical applications ? Technical Details Specification Details Form Factor SFP28 Data Rate 25 Gbps Transmission Distance Up to 10 km Fiber Type Single-Mode Fiber (SMF) Connector Type LC Duplex Wavelength 1310 nm Compatibility Omada switches and routers with SFP28 slots Operating Temperature 0°C to 70°C Dimensions 2.2 ×0.5 ×0.5 in (56 ×13 ×13 mm) ? Why You Should Buy It ? Provides ultra-fast 25G connectivity for enterprise networks ? Long-range transmission up to 10 km ? Seamless integration with Omada ecosystem ? Reliable and stable performance for mission-critical applications ? Recommended Use Cases ? High-speed backbone connections in enterprise networks ? Linking data centers with long-range fiber ? Extending connectivity for Omada switches and routers ? Supporting bandwidth-intensive applications with low latency ? Customer Assurance ? Warranty / Guarantee: Coverage available through manufacturer support ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Boost your enterprise fiber backbone with 25G performance choose the Omada SM6110-LR today. Thanks for choosing YOUR TRUSTED IT PARTNER.

Specifications

Region: UN
EAN: 8885020622355
Pack Size: 30PCS
Availability: Normal Shipping

Lead Time: 4 weeks

Warranty: 5 Years Warranty
