

TP-Link (VIGI) TP-Link VIGI PS30 VIGI Intelligent Power Supply S

SKU / Model: VIGI PS30

Product overview

? Product Name TP-Link VIGI PS30 Intelligent Power Supply System (Without Solar Panel)
? Product Overview The TP-Link VIGI PS30 is an intelligent power supply system designed to deliver stable and efficient energy for VIGI surveillance deployments. Built to ensure continuous operation of cameras and NVRs, it integrates smart monitoring and protection features to safeguard equipment. This version operates without solar panel support, focusing on direct AC-powered reliability for enterprise and SMB environments. ? Top Highlights
? Stable Power Supply Keeps VIGI devices running reliably ? Smart Management Intelligent monitoring and control ? Protection Features Safeguards against overloads and surges ? System Integration Seamlessly works with VIGI ecosystem ? Flexible Deployment Suitable for varied installation environments ? Technical Details
Specification Details Model VIGI PS30 Type Intelligent Power Supply System Compatibility TP-Link VIGI surveillance devices Power Input Standard AC input Power Output Optimized DC output for cameras and NVRs Monitoring Intelligent status monitoring and alerts Protection Overload, surge, and short-circuit protection Deployment Indoor installation, rack or wall mount Solar Panel Not included (direct power only) ? Why You Should Buy It ? Provides stable and reliable power for surveillance systems ? Intelligent monitoring ensures efficient energy use ? Built-in protection safeguards equipment ? Seamless integration with TP-Link VIGI ecosystem ? Recommended Use Cases ? Powering VIGI surveillance cameras ? Supporting NVRs and security appliances ? Enterprise and SMB surveillance deployments ? Indoor installations requiring reliable power management ? Customer Assurance ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Power your surveillance systems with confidence using the TP-Link VIGI PS30 Intelligent Power Supply System today. Thanks for choosing YOUR TRUSTED IT PARTNER.
