

Veritas NetBackup Auto Image Replication (AIR) Configuration S

SKU / Model: 34995-M1

Product overview

Veritas NetBackup Auto Image Replication (AIR) Configuration Service (MPN: 34995-M1) delivers professional vendor services designed to implement, configure, and validate Veritas NetBackup AIR in your enterprise environment. Auto Image Replication enables automated cross-domain replication of backup images, ensuring rapid, policy-driven disaster recovery and off-site data protection. This service engagement includes expert setup, configuration of replication parameters, and integration between NetBackup master and media servers to ensure seamless, resilient data recovery operations.
