

Bambu Lab DLB011 AMS Connector Board - P1P,X1,X1C,P1S

SKU / Model: DLB011

Product overview

? Product Name Bambu Lab DLB011 AMS Connector Board Compatible with P1P, X1, X1C, P1S Printers ? Product Overview The Bambu Lab DLB011 AMS Connector Board is an essential electronic module that links AMS units to supported printers, enabling stable communication and reliable multi-material printing. Designed for compatibility with P1 and X1 series printers, it ensures smooth data transfer and dependable operation in advanced filament management setups. ? Top Highlights ? AMS integration Connects AMS units to supported printers ? Wide compatibility Works with P1P, P1S, X1, and X1C ? Stable communication Ensures reliable data transfer ? Durable design Built for consistent long-term performance ? Multi-material support Enables advanced filament management ? Technical Details Specification Details Model DLB011 Type AMS Connector Board Application Connects AMS units to printer mainboard Compatibility P1P, P1S, X1, X1C Function Enables stable AMS communication for multi-material printing Design Feature Compact PCB engineered for reliable integration Durability Built for long-term stable performance ? Why You Should Buy It ? Ensures seamless AMS connectivity ? Designed for P1 and X1 series printers ? Provides stable communication for multi-material printing ? Durable construction for reliable long-term use ? Recommended Use Cases ? Replacing a faulty AMS connector board ? Ensuring stable AMS-to-printer communication ? Supporting multi-material printing workflows ? Keeping spare parts for printer maintenance ? Customer Assurance ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Ensure smooth multi-material printing with the Bambu Lab DLB011 AMS Connector Board. Thanks for choosing YOUR TRUSTED IT PARTNER.
