

Bambu Lab FAF007 Hotend Cooling Fan for - A1 mini,A1

SKU / Model: FAF007

Product overview

? Product Name Bambu Lab FAF007 Hotend Cooling Fan Compatible with A1 mini and A1 Series ? Product Overview The Bambu Lab FAF007 Hotend Cooling Fan is a dedicated cooling solution for the A1 mini and A1 printers. It ensures proper thermal management of the hotend assembly, preventing overheating and filament clogs. As a replacement part, it restores optimal cooling performance and supports reliable printing across a wide range of materials.

? Top Highlights ? Efficient Cooling Maintains stable hotend temperature ? Optimized Compatibility Designed for A1 mini and A1 printers ? Easy Replacement Direct installation with standard connectors ? Durable Build Engineered for long-term continuous operation ? Consistent Performance Prevents clogs and supports smooth extrusion ? Technical Details Specification Details Model Number FAF007 Component Type Hotend Cooling Fan Compatibility Bambu Lab A1 mini, A1 Primary Function Cools hotend assembly to maintain extrusion stability Installation Method Direct replacement with plug-in connector Material Plastic housing with brushless motor Fan Type High-speed axial cooling fan Operating Voltage DC 24 V Dimensions Approx. 40 ×40 ×10 mm Packaging Size Approx. 70 ×60 ×40 mm Packaging Weight Approx. 0.05 kg ? Why You Should Buy It ? Prevents overheating and filament clogs ? Compatible with A1 mini and A1 printers ? Quick installation with reliable fit ? Durable design for long-term continuous use ?

Recommended Use Cases ? Replacing worn or faulty hotend cooling fans ? Maintaining consistent extrusion in A1 mini/A1 printers ? Supporting high-temperature material printing ? Ensuring reliable thermal management during long print sessions ? Customer Assurance ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Keep your A1 hotend cool and reliable add the FAF007 Cooling Fan today. Thanks for choosing YOUR TRUSTED IT PARTNER.
