

Bambu Lab FAH001-T-3 Thermistor for hotend - X1C

SKU / Model: FAH001-T-3

Product overview

? Product Name Bambu Lab FAH001-T-3 Thermistor for Hotend X1C (3 pcs set with grease and clips) ? Product Overview The Bambu Lab FAH001-T-3 Thermistor is engineered for the X1C hotend assembly, delivering highly accurate temperature measurement and stable performance during 3D printing. This pack includes three thermistors, each with thermal grease and retaining clips, making it ideal for users who want reliable replacements to maintain consistent extrusion quality. ? Top Highlights ? Accurate Temperature Monitoring Ensures precise control of hotend heating ? Complete Replacement Kit Includes thermistors, grease, and clips for easy installation ? Reliable Structural Design Built for durability in continuous printing ? Perfect Fit Designed exclusively for X1C hotend assembly ? Stable Performance Maintains extrusion consistency across long prints ? Technical Details Specification Details Model FAH001-T-3 Compatibility Bambu Lab X1 and X1C (not for X1E) Operating Temperature Range -10°C to 300°C Package Contents 3 thermistors, 3 thermal grease packs, 3 retaining clips Packaging Size 60 ×60 ×30 mm Packaging Weight 23 g Materials Plastic, Metal, Glass ? Why You Should Buy It ? Maintains precise hotend temperature for consistent extrusion ? Easy installation with included grease and clips ? Genuine Bambu Lab spare part for guaranteed compatibility ? Durable design for long-term reliability ? Recommended Use Cases ? Replacing worn or faulty thermistors in X1C hotend ? Ensuring accurate temperature control during long prints ? Keeping spare parts ready for uninterrupted production ? Maintaining consistent extrusion quality across multiple projects ? Customer Assurance ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Upgrade your X1C hotend with genuine Bambu Lab thermistors for precise, reliable printing performance. Thanks for choosing YOUR TRUSTED IT PARTNER.
