D-Link DIS-S380ZX 1000BASE-ZX Single-Mode SFP Transceiver (

SKU / Model: DIS-S380ZX

Product overview

? Product Name D-Link DIS-S380ZX 1000BASE-ZX Single-Mode SFP Transceiver (80 km, -40~85℃ Operating Temperature Range) ? Product Overview The D-Link DIS-S380ZX is a ruggedized 1000BASE-ZX single-mode SFP transceiver designed for ultra long-distance Gigabit Ethernet connectivity. Supporting transmission up to 80 km, it ensures reliable fiber communication across metropolitan, industrial, and service provider networks. With an extended operating temperature range from -40℃ to 85℃, the module is ideal for mission-critical deployments in harsh environments requiring stable and secure fiber links. ? Top Highlights ? Ultra Long Reach Supports single-mode fiber links up to 80 km ? Industrial Grade Operates reliably in -40℃ to 85℃ environments ? LC Connector Standardized duplex interface for secure fiber connections ? Rugged Design Built for industrial and service provider deployments ? Hot-Swappable Easy installation and replacement without downtime ? Technical Details Specification Details Model DIS-S380ZX Standard 1000BASE-ZX Gigabit Ethernet Fiber Type Single-mode Connector Type LC duplex Maximum Distance Up to 80 km Wavelength 1550 nm Data Rate 1 Gbps full-duplex Operating Temperature -40℃ to 85℃ Storage Temperature -40℃ to 85℃ Humidity 5% to 95% non-condensing Form Factor SFP transceiver module Compatibility D-Link industrial switches, routers, and media converters with SFP slots ? Why You Should Buy It ? Enables ultra long-distance Gigabit fiber connectivity ? Operates in extreme industrial temperature ranges ? Hot-swappable for easy installation and maintenance ? Compatible with a wide range of D-Link industrial networking equipment ? Recommended Use Cases ? Metropolitan area network fiber backbones ? Industrial automation requiring long-distance fiber uplinks ? Service provider deployments across extended regions ? Smart city infrastructure with rugged fiber connectivity ? Customer Assurance ? Warranty / Guarantee: Coverage available through manufacturer support ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Deploy ultra long-range Gigabit fiber connectivity with industrial strength today. Thanks for choosing YOUR TRUSTED IT PARTNER.
