

D-Link DXS-3600-FAN-BF Fan Tray (Back-to-Front Airflow, Comp

SKU / Model: DXS-3600-FAN-BF

Product overview

? Product Name D-Link DXS-3600-FAN-BF Fan Tray Back-to-Front Airflow, Compatible with DXS-3600 Series Managed Switches ? Product Overview The D-Link DXS-3600-FAN-BF Fan Tray provides reliable back-to-front airflow cooling for DXS-3600 Series Managed Switches. Designed for high-performance enterprise and data center environments, it ensures consistent thermal management, protects critical components, and maintains system stability under demanding workloads. ? Top Highlights ? Back-to-Front Airflow Optimized cooling for rackmount deployments ? Reliable Thermal Management Maintains switch performance under heavy loads ? Hot-Swappable Design Easy installation and replacement without downtime ? Enterprise Compatibility Designed specifically for DXS-3600 Series switches ? Durable Build Engineered for continuous operation in mission-critical environments ? Technical Details Specification Details Model DXS-3600-FAN-BF Type Fan Tray Module Airflow Direction Back-to-Front Compatibility D-Link DXS-3600 Series Managed Switches Installation Hot-swappable, tool-less installation Use Case Thermal management for enterprise and data center deployments Form Factor Rackmount switch accessory ? Why You Should Buy It ? Ensures optimal cooling for DXS-3600 Series switches ? Hot-swappable design minimizes downtime ? Maintains performance under demanding workloads ? Built for enterprise-grade reliability and durability ? Recommended Use Cases ? Enterprise rackmount deployments requiring back-to-front airflow ? Data center environments with strict cooling requirements ? Mission-critical networks needing reliable thermal management ? Scalable deployments with hot-swappable components ? Customer Assurance ? Warranty / Guarantee: Coverage available through manufacturer support ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Keep your DXS-3600 Series switches cool and reliable with the back-to-front airflow fan tray. Thanks for choosing YOUR TRUSTED IT PARTNER.
