Product overview

Jabra Evolve2 85 Wireless Over-the-Head Stereo Headset (Black, Binaural, Bluetooth, ANC) The Jabra Evolve2 85 is a high-performance wireless headset designed for professionals who demand exceptional sound quality, comfort, and productivity. Featuring binaural, supra-aural design, this headset ensures immersive stereo audio for both calls and multimedia. Equipped with active noise cancellation (ANC), it effectively blocks out background noise, allowing users to focus in busy office environments or remote work settings. Its advanced Bluetooth connectivity provides seamless pairing with multiple devices, ensuring flexibility for calls, video conferencing, and media streaming. The headset offers long battery life, delivering up to 37 hours of wireless use on a single charge, and supports fast charging, so users can quickly resume work without interruption. The ergonomic over-the-head design with memory foam ear cushions ensures comfort during extended use, minimizing fatigue. With integrated microphones and call controls, the Evolve2 85 delivers professional-grade voice clarity, making it ideal for meetings, virtual conferences, and collaborative work. Its durable construction and premium materials ensure long-lasting performance and a stylish professional look. Perfect for remote workers, office professionals, and audio enthusiasts, the Jabra Evolve2 85 combines superior audio, comfort, and modern wireless functionality for a complete communication solution.
