

Toshiba IHDD - 3.5" S300 24x7 10TB 7200RPM 256MB SATA

SKU / Model: HDWT31AUZSVA

Product overview

Toshiba S300 Pro 10TB 3.5" SATA 6 Gb/s 7200 RPM Surveillance Internal Hard Drive

High-performance design Trust Toshiba's expertise for a vigilant surveillance system that never sleeps. The S300 Pro Surveillance Hard Drive ensures uninterrupted surveillance, offering up to 10 TB of storage capacity and 64-camera support for non-stop, high-quality performance and enduring content retention. Uncompromised attention to detail For flawless security analysis, frame drops are unacceptable. That's why your storage must deliver peak performance detecting rapid movements, capturing intricate details, and enabling face recognition. The S300 Pro, designed to meet specialist demands, ensures 24/7 reliability and high performance, exposing every critical detail. Engineered for compatibility Designed and rigorously tested to support up to 64 high-resolution cameras, the S300 Pro ensures flexible scalability for your security camera systems. Whether you rely on DVRs, NVRs, video servers, or video management systems, our surveillance solution never rests so you can focus on what matters most. Industry-leading performance The S300 Pro ensures optimal performance for surveillance data from high-resolution camera streams. With a 512 MB buffer and high transfer rates, it meets even the highest demands effectively. Toshiba's Dynamic Cache Technology further enhances real-time drive efficiency by optimizing cache allocation through an on-board algorithm and buffer management.

SPECIFICATIONS

Product	Toshiba S300 Pro
Part Number	HDWTA1AUZSVAR
Capacity	10TB
Form factor	3.5-inch
Interface	SATA 6 Gbit/s
Rotational Speed	7200 RPM
Number of cameras supported	64
Buffer Size	512 MB
Shock Sensor	Yes
RoHS Compliant	Yes
Storage Temperature	-40 to 70°C
Operating Temperature	0 to 70° C
