

TP-Link Omada TL-SG3428MP JetStream 28-Port Gigabit L2+ Managed PoE+ Switch

SKU / Model: SG3428MP

Product overview

? Product Name TP-Link SG3428MP JetStream 24-Port Gigabit L2+ Managed PoE+ Switch ?
Product Overview The TP-Link SG3428MP JetStream is a professional-grade 24-port Gigabit L2+ managed switch with PoE+ support, designed for enterprise and business networks. Featuring advanced Layer 2 and Layer 3 Lite management, it delivers secure, efficient, and scalable connectivity. With 24 PoE+ ports, a robust power budget, and enterprise-class features such as VLAN, QoS, and IGMP Snooping, this switch simplifies deployment of IP cameras, VoIP phones, and wireless access points while ensuring reliable performance and traffic optimization. ? Top Highlights ? 24 PoE+ Ports Power IP cameras, APs, and VoIP phones directly ? Gigabit Connectivity High-speed data transfer across all 24 ports ? Advanced L2+ Management VLAN, QoS, IGMP Snooping, and static routing ? Enterprise Security Access Control Lists, Storm Control, and SSL management ? PoE Power Budget 400W total PoE+ power for multiple devices ? Technical Details Specification Details Model TP-Link SG3428MP JetStream Ports 24 Gigabit RJ45 ports PoE+ Ports 24 ports compliant with IEEE 802.3af/at PoE Power Budget 400W total Switching Capacity 56Gbps Packet Forwarding Rate 41.7Mpps MAC Address Table 16K entries Management Features L2+ management, VLAN, QoS, IGMP Snooping, Port Mirroring, Loop Prevention, Static Routing Security Features Access Control Lists (ACL), Storm Control, SSL, Port Security Mounting Rack-mountable metal case Dimensions 440 x220 x44 mm Power Supply 100 240V AC, 50/60Hz ? Why You Should Buy It ? Provides enterprise-grade Gigabit connectivity with PoE+ support ? Advanced L2+ management ensures efficient traffic control ? Robust security features protect your business network ? High PoE power budget supports multiple powered devices simultaneously ? Recommended Use Cases ? Powering IP surveillance cameras ? Connecting VoIP phones in offices ? Expanding wireless coverage with access points ? Building secure enterprise and SMB networks ? Customer Assurance ? Warranty / Guarantee: Manufacturer-backed warranty available ? Returns Policy: Returns accepted under standard reseller terms ? Shipping Info: Secure delivery with tracking support ? Customer Support: Assistance via official TP-Link support channels and authorized resellers ? Call to Action Empower your enterprise network with TP-Link s JetStream SG3428MP 24-Port Gigabit L2+ Managed PoE+ Switch today. Thanks for choosing YOUR TRUSTED IT PARTNER.
