

TP-Link SG2016P JS 16PORT MSART SWITCH WITH 8PORT POE

SKU / Model: SG2016P

Product overview

? Product Name TP-Link SG2016P JetStream | 16-Port Gigabit Smart Switch with 8 PoE+ Ports ? Product Overview The TP-Link SG2016P JetStream is a 16-port Gigabit Smart Switch with 8 PoE+ ports, designed for SMBs and professional networks. With a total PoE power budget of 150W, it delivers both data and power through a single Ethernet cable to devices such as IP cameras, access points, and VoIP phones. Featuring advanced smart management functions including VLAN, QoS, IGMP Snooping, and port mirroring, it provides enhanced control and monitoring. Its rackmount-ready design, durable metal housing, and plug-and-play installation make it a reliable backbone for modern business networks. ? Top Highlights ? 16 Gigabit Ports Expand your wired connections ? 8 PoE+ Ports Deliver power and data via one cable ? PoE Budget 150W Supports multiple powered devices ? Smart Features VLAN, QoS, IGMP Snooping, Port Mirroring ? Rackmount Design Professional-grade deployment ? Energy-Efficient Reduces power consumption automatically ? Silent Operation Fanless design for quiet environments ? Durable Metal Housing Built for long-term reliability ? Technical Details Specification Details Model SG2016P JetStream Ports 16 ×10/100/1000 Mbps RJ45 PoE Ports 8 ×PoE+ ports PoE Standard IEEE 802.3af/at compliant PoE Budget 150W total Switching Capacity 32 Gbps Packet Forwarding Rate 23.8 Mpps MAC Address Table 8K entries Management Features VLAN, QoS, IGMP Snooping, Port Mirroring Housing Metal, rackmount design Fan Fanless, silent operation Installation Plug-and-play with optional smart management ? Why You Should Buy It ? Powers up to 8 PoE+ devices ? Eliminates need for separate power adapters ? Provides advanced control with Smart features ? Professional rackmount design for business environments ? Gigabit speeds for modern networks ? Easy plug-and-play installation with optional management ? Recommended Use Cases ? Power and connect IP cameras ? Deploy access points without local power ? Support VoIP phones in SMB offices ? Segment office networks with VLAN ? Prioritize traffic with QoS for VoIP and video ? Rackmount-ready for professional installations ? Customer Assurance ? Warranty / Guarantee: Manufacturer-backed coverage available ? Returns Policy: Returns accepted per standard reseller terms ? Shipping Info: Reliable delivery with tracking support ? Customer Support: Assistance via official TP-Link support channels ? Call to Action Power your devices and manage your network smarter with the TP-Link SG2016P JetStream PoE+ Switch today. Thanks for choosing YOUR TRUSTED IT PARTNER.
