

TP-Link Omada SM9220-1M 1m 100G QSFP28 Direct Attach Cable

SKU / Model: SM9220-1M

Product overview

? Product Name TP-Link Omada SM9220-1M 1m 100G QSFP28 Direct Attach Cable (Passive Twinax, Hot-Swappable) ? Product Overview The Omada SM9220-1M is a passive 1-meter QSFP28 Direct Attach Cable designed for short-distance, high-bandwidth connectivity up to 100 Gbps. With QSFP28 connectors on both ends and hot-swappable design, it provides a cost-effective, low-latency link for intra-rack and adjacent rack connections in modern data and enterprise networks. ? Top Highlights ? QSFP28 on both ends Seamless 100G connectivity for compatible ports ? Passive twinax build Low power, low latency short-reach links ? 100 Gbps data rate Suitable for high-throughput aggregation ? 1 m length Ideal for within-rack or adjacent rack runs ? Hot-swappable Easy installation and service without downtime ? Technical Details Specification Details Cable type Passive Direct Attach Cable (Twinax) Connector QSFP28 (both ends) Length 1,000 mm (1 m) Supported data rate Up to 100 Gbps; 40 Gbps supported Hot swap Supported Plug dimensions (each end) 72.45 ×18.35 ×13.50 mm Operating temperature 0 70 °C Storage temperature -40 85 °C Operating humidity 10 90% RH, non-condensing Storage humidity 5 90% RH, non-condensing Typical use Intra-rack and adjacent rack short-reach 100G links Compatibility QSFP28 100G/40G ports on switches, NICs, and aggregation gear ? Why You Should Buy It ? Cost-effective 100G short-reach connectivity ? Passive design reduces power and heat ? Hot-swappable for quick deployment and maintenance ? Stable performance across a wide operating temperature range ? Recommended Use Cases ? Linking 100G switch ports within a rack ? Short backbone runs between adjacent racks ? High-throughput aggregation in enterprise deployments ? Quick turn-up of 100G ports without optical transceivers ? Customer Assurance ? Warranty / Guarantee: Coverage available through manufacturer support ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Deploy 100G efficiently with the Omada SM9220-1M simple, reliable, and built for short-reach performance. Thanks for choosing YOUR TRUSTED IT PARTNER.
