Ubiquiti UACC-Uplink-SFP28-30M Uplink Cable

SKU / Model: UACC-Uplink-SFP28-30M

Product overview

? Product Name Ubiquiti UACC-Uplink-SFP28-30M Direct Attach Uplink Cable 30 Meter, White PVC Jacket, SFP28 to SFP28, Fiber, Compatible with 1G SFP, 10G SFP+, and 25G SFP28 Interfaces ? Product Overview The Ubiquiti UACC-Uplink-SFP28-30M is a 30-meter fiber direct attach cable designed to deliver high-speed, stable uplink connectivity between UniFi devices. With support for 1G, 10G, and 25G data rates, this cable is ideal for enterprise-grade networking environments requiring reliable and optimized SFP28 interconnects. Its auto link optimization ensures seamless performance across compatible interfaces. ? Top Highlights ? Auto Link Optimization Ensures optimal speed and stability between UniFi devices ? SFP28 to SFP28 Connectors Supports 1G, 10G, and 25G interconnects ? 30 Meter Length Ideal for extended rack-to-rack or room-to-room deployments ? Fiber Construction Delivers high-speed data transmission with minimal interference ? White PVC Jacket Durable and clean aesthetic for professional installations ? Technical Details Specification Details Product Type Direct Attach Uplink Cable Cable Length 30 meters (98.4 feet) Connector Type SFP28 to SFP28 Supported Data Rates 1G, 10G, 25G Cable Type Fiber Jacket Material PVC Jacket Color White Outer Diameter 3 mm Minimum Bend Radius 30 mm Operating Temperature 0℃ to 70℃ (32℉ to 158℉) ? Why You Should Buy It ? Designed for seamless UniFi device uplinks ? Supports multiple data rates for flexible deployment ? Long reach with 30m fiber cable for versatile installations ? Durable build with optimized link performance ? Recommended Use Cases ? Rack-to-rack UniFi device uplinks ? High-speed data center interconnects ? Enterprise network backbone extensions ? Long-distance SFP28 deployments across rooms or floors ? Customer Assurance ? Warranty / Guarantee: Coverage available through manufacturer support ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Upgrade your UniFi network with precision-engineered fiber uplinks built for speed and reliability Thanks for choosing YOUR TRUSTED IT PARTNER.
