

Bambu Lab PF004-U-UK Bambu Lab P2S-UK

SKU / Model: PF004-U-UK

Product overview

? Product Name Bambu Lab PF004-U-UK P2S-UK 3D Printer ? Product Overview The Bambu Lab P2S is a high-speed, enclosed 3D printer engineered for reliability and advanced performance. With a robust motion system, hardened steel components, and intelligent calibration, it is designed for professionals, educators, and makers who demand consistent quality and versatility across a wide range of materials. ? Top Highlights ? High-Speed Printing Up to 600 mm/s with advanced motion control ? Durable Components Hardened steel nozzle and extruder gears ? Smart Calibration Automatic adjustments for consistent results ? Quiet Operation Optimized design for reduced noise ? Modern Interface 5" touchscreen with intuitive controls ? Technical Details Specification Details Model PF004-U-UK P2S-UK Printing Technology FDM (Fused Deposition Modeling) Build Volume 256 ×256 ×256 mm Chassis Plastic and steel frame with glass enclosure Dimensions 392 ×406 ×478 mm Weight 14.9 kg Nozzle Diameter 0.4 mm (included), supports 0.2 / 0.6 / 0.8 mm Max Nozzle Temperature 300 °C Filament Diameter 1.75 mm Supported Filaments PLA, PETG, TPU, ABS, and more Build Plate Flexible steel plate, textured PEI (included), supports smooth PEI and Cool Plate SuperTack Max Heatbed Temperature 110 °C Max Speed 600 mm/s Max Acceleration 20,000 mm/s² Max Flow Rate 40 mm³/s Extruder Motor Permanent Magnet Synchronous Motor (PMSM) Interface 5" touchscreen with upgraded UI Connectivity Wi-Fi, Bambu Studio, Bambu Handy app ? Why You Should Buy It ? High-speed printing for rapid prototyping ? Enclosed chamber for stable performance with advanced materials ? Durable components built for long-term reliability ? Intuitive touchscreen interface for easy operation ? Recommended Use Cases ? Professional prototyping and product development ? Educational labs and training environments ? Multi-material hobbyist projects ? Small-scale production runs ? Customer Assurance ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Unlock professional-grade speed and precision with the Bambu Lab P2S engineered for creators and innovators. Thanks for choosing YOUR TRUSTED IT PARTNER.
