

D-Link DMC-300SC/E 10/100Base-TX to 100Base-FX (SC, Multi-m

SKU / Model: DMC-300SC/E

Product overview

? Product Name D-Link DMC-300SC/E Fiber Media Converter 10/100Base-TX to 100Base-FX, SC Connector, Multi-mode, 2km Reach, Compatible with DMC-1000 Chassis ?
Product Overview The DMC-300SC/E is a reliable fiber media converter that extends Ethernet connectivity by converting 10/100Base-TX copper links to 100Base-FX fiber. Featuring an SC multi-mode connector, it supports transmission distances up to 2km, making it ideal for campus networks, enterprise backbones, and secure fiber deployments. It is fully compatible with the DMC-1000 chassis for centralized management and scalability. ? Top Highlights
? Ethernet to Fiber Conversion Converts 10/100Base-TX copper to 100Base-FX fiber
? Multi-Mode Fiber Support SC connector with 2km transmission reach ? Reliable Performance Ensures stable, interference-free fiber connectivity ? Chassis Compatibility Works seamlessly with DMC-1000 chassis ? Compact Design Hot-swappable module for flexible deployment ? Technical Details Specification Details
Model DMC-300SC/E Conversion Type 10/100Base-TX (copper) to 100Base-FX (fiber)
Connector SC, multi-mode Maximum Reach Up to 2 km Fiber Type Multi-mode fiber (MMF)
Power Supply 3.3V via DMC-1000 chassis or standalone adapter Form Factor Standalone or chassis-based (DMC-1000) Hot-Swappable Yes Operating Temperature 0°C to 50°C
Compliance IEEE 802.3u Fast Ethernet ? Why You Should Buy It ? Extends Ethernet connectivity over fiber ? Provides reliable 2km transmission for enterprise networks ? Compatible with DMC-1000 chassis for scalability ? Compact, hot-swappable design for easy deployment ? Recommended Use Cases ? Campus network fiber extensions ? Enterprise backbone connectivity ? Secure fiber deployments in sensitive environments ? Integration with DMC-1000 chassis for centralized management ? Customer Assurance
? Warranty / Guarantee: Coverage available through manufacturer support ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Choose the DMC-300SC/E for dependable copper-to-fiber conversion and seamless integration with DMC-1000 chassis. Thanks for choosing YOUR TRUSTED IT PARTNER.
