EK EKWB 1204 EK-Quantum Torque Extender Static MF 28 - Blac

SKU / Model: EKWB 1204

Product overview

? Product Name EK-Quantum Torque Extender Static MF 28 Black, G1/4" Male-to-Female Fitting, CNC Brass, EKWB 1204 ? Product Overview The EK-Quantum Torque Extender Static MF 28 Black is a high-quality male-to-female extender fitting designed to add 28mm of vertical spacing between water cooling components. Part of EK s Quantum Torque series, it features a minimalist cylindrical design and a durable black nickel finish. Ideal for offsetting blocks, reservoirs, or radiators, it uses standard G1/4" threading and includes pre-installed O-rings for a secure, leak-free seal. Compatible with all EK fittings and components using G1/4" ports. ? Top Highlights ? 28mm Extension Adds vertical clearance for stacked components ? Male-to-Female G1/4" Standard threading for universal compatibility ? Brass Construction CNC-machined for durability and precision ? Black Nickel Finish Sleek, corrosion-resistant coating ? Pre-installed O-Rings Ensures leak-free seal ? Technical Details Specification Details Product Code EKWB 1204 EAN 3831109841648 Thread Type G1/4" Male-to-Female Extension Length 28mm Material CNC-machined brass Finish Black nickel plated Seal Type Pre-installed rubber O-rings Series EK-Quantum Torque Compatibility All EK G1/4" threaded components ? Why You Should Buy It ? Adds vertical spacing for modular loop design ? Durable brass construction with premium finish ? Leak-free seal with pre-installed O-rings ? Compatible with EK fittings and G1/4" components ? Recommended Use Cases ? Custom PC water cooling builds ? Vertical offsetting of blocks or reservoirs ? Tight loop configurations ? Modular component spacing ? Customer Assurance ? Warranty / Guarantee: 2-Year Limited International Warranty ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via EKWB support channels and authorized resellers ? Call to Action Elevate your loop layout with the EK-Quantum Torque Extender 28mm sleek, modular, and precision-built. Thanks for choosing YOUR TRUSTED IT PARTNER.
