

MOZA Racing AS007 MOZA YS Joystick Adapter

SKU / Model: AS007

Product overview

? Product Name MOZA Racing AS007 YS Joystick Adapter ? Product Overview The MOZA Racing AS007 YS Joystick Adapter is designed to integrate joysticks seamlessly into the MOZA flight ecosystem. Built with durable materials and precision engineering, it provides a stable mounting solution and ensures compatibility with MOZA flight bases. Ideal for pilots who want to expand their setup with joystick controls for enhanced realism and flexibility.

? Top Highlights ? Universal Joystick Integration Enables joystick use within MOZA flight setups ? Durable Construction Built with high-strength materials for long-term stability ? Precision Fit Securely attaches to MOZA flight bases ? Enhanced Flexibility Adds joystick control alongside yokes or flight sticks ? Easy Installation Quick setup for expanding flight rigs ? Technical Details Specification Details Model Number AS007 Product Type Joystick adapter Compatibility MOZA flight bases and ecosystem Construction High-strength steel and composite materials Mounting Method Precision cutouts for secure joystick attachment Installation User-installable, tool-free setup Use Case Adds joystick control to flight simulators ? Why You Should Buy It ? Enables joystick integration with MOZA flight rigs ? Durable build ensures long-lasting reliability ? Easy installation for quick setup ? Expands control options for immersive flight simulation ? Recommended Use Cases ? Adding joystick control to MOZA flight bases ? Expanding home flight simulator setups ? Professional training environments ? Enthusiast rigs seeking versatile control options ? Customer Assurance ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Expand your cockpit with the MOZA YS Joystick Adapter versatility at your command. Thanks for choosing YOUR TRUSTED IT PARTNER.
