

Lenovo Notebook ThinkPad P14s Gen 4 i7-1360P/32gb/512gb/Wi

SKU / Model: 21HGCTO1WW

Product overview

Lenovo ThinkPad P14s Gen 4 (Model 21HGCTO1WW) The Lenovo ThinkPad P14s Gen 4 is engineered to meet the demands of modern professionals. Equipped with the Intel Core i7-1360P processor, this laptop delivers exceptional performance for multitasking and demanding applications. With 32GB of LPDDR5x RAM, users can experience smooth and efficient workflows, while the 512GB SSD provides fast storage and quick access to files. The 14-inch WUXGA (1920 x 1200) display offers crisp visuals, making it ideal for presentations, content creation, and detailed work. Integrated Intel Iris Xe Graphics handle everyday graphics tasks with ease. Connectivity options include Thunderbolt 4, HDMI, and Wi-Fi 6E, ensuring fast data transfer and reliable internet connections. The laptop's design emphasizes durability and portability, making it suitable for professionals on the go. Running on Windows 11 Pro, the ThinkPad P14s Gen 4 provides enhanced security features and a user-friendly interface, ensuring a seamless and secure computing experience.
