

RJ11/RJ45 Splitter

SKU / Model: ACCA0303055

Product overview

RJ11/RJ45 splitter supplied under SKU/MPN ACCA0303055. The product title indicates compatibility with RJ11 (telephone) and RJ45 (Ethernet) connectors; a splitter of this type is typically used to share or branch a single line/port between two connections. No manufacturer brand, port count, gender, or wiring configuration has been verified for this SKU, so those details are not stated here. Please confirm the exact configuration (number of ports, male/female ends, and intended RJ11 vs RJ45 use) before purchase.
