

Startech.Com 8 PORT USB TO DB9 RS232 SERIAL ADAPTER Sta

SKU / Model: ICUSB2328I

Product overview

? Product Name STARTECH ICUSB2328I 8-Port USB to RS232 Serial Adapter Hub with DB9 Connectors, FTDI Chipset, Rugged Metal Enclosure, DIN Rail & Wall Mountable, TAA Compliant
? Product Overview The STARTECH ICUSB2328I is a high-performance 8-port USB to RS232 serial adapter hub engineered for industrial and commercial environments. With a rugged metal chassis, DIN rail and wall mounting options, and FTDI chipset compatibility, it enables seamless integration of multiple legacy serial devices into modern USB systems. Ideal for automation, POS, and control systems, it supports COM retention and high-speed data transfer for reliable multi-device communication. ? Top Highlights ? 8 RS232 Ports Connect multiple serial devices via a single USB interface ? DIN Rail & Wall Mountable Flexible installation for industrial setups ? COM Retention Maintains port assignments across system reboots ? FTDI Chipset Ensures broad OS compatibility and stable driver support ? TAA Compliant Suitable for institutional and government use ? Technical Details Specification Details Chipset FTDI FT232RL Ports 8x DB9 RS232 Male Connector USB Type-B Female Baud Rate Up to 921.6 Kbps Mounting Options DIN Rail & Wall Mount (brackets included) Enclosure Rugged metal housing OS Compatibility Windows, macOS, Linux Power Source Bus-powered via USB Compliance TAA, CE, FCC Dimensions 200 x 65 x 25 mm Weight ~500g ? Why You Should Buy It ? Expand serial connectivity with 8 ports ? Industrial-grade mounting and rugged design ? FTDI chipset ensures stable performance across platforms ? Ideal for automation, POS, and legacy system integration ? Recommended Use Cases ? Industrial automation and control systems ? POS terminal and barcode scanner connectivity ? Legacy equipment interfacing ? Multi-device serial communication hubs ? Customer Assurance ? Warranty / Guarantee: Coverage available through StarTech.com support ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official StarTech.com channels and authorized resellers ? Call to Action Deploy scalable RS232 connectivity with industrial-grade reliability ready for automation and legacy integration. Thanks for choosing YOUR TRUSTED IT PARTNER.

Specifications

Vendor Part Number: ICUSB2328I

UPC: 65030848978

Manufacturer: Startech.Com

Category: Connectivity Devices

Subcategory: Serial/Parallel & I/O Cards

Product Type: Serial Cards

Unit of Measure: EA
