Ubiquiti UDC-1 UniFi Direct Attach 10 Gb/s Copper Cable, 1m

SKU / Model: UDC-1

Product overview

? Product Name Ubiquiti UDC-1 UniFi Direct Attach 10 Gb/s Copper Cable, 1m ? Product Overview The Ubiquiti UDC-1 is a 1-meter UniFi Direct Attach Copper Cable designed for short-range, high-speed interconnects between UniFi devices. It delivers 10 Gb/s throughput with low latency and reduced power consumption compared to optical solutions, making it ideal for rack-to-rack or switch-to-server connections in performance-driven networks. ? Top Highlights ? 10 Gb/s Speed Ensures fast data transfer for demanding applications ? Direct Attach Copper Simplifies connectivity without transceivers ? 1-Meter Length Perfect for short-distance rack deployments ? Low Latency Optimized for responsive network performance ? UniFi Compatibility Seamless integration with UniFi switches and devices ? Technical Details Specification Details Cable Type Direct Attach Copper (DAC) Data Rate 10 Gb/s Length 1 meter Connector Type SFP+ to SFP+ Compatibility UniFi switches and devices with SFP+ ports Performance Low latency, low power consumption Use Case Short-range rack or server interconnects ? Why You Should Buy It ? Provides reliable 10 Gb/s connectivity for UniFi networks ? Eliminates need for costly optical transceivers ? Compact 1-meter design ideal for rack setups ? Ensures low latency and efficient performance ? Recommended Use Cases ? Connecting UniFi switches within the same rack ? Linking servers to UniFi aggregation switches ? Short-distance high-speed interconnects ? Performance-driven enterprise or lab environments ? Customer Assurance ? Warranty / Guarantee: Coverage available through manufacturer support ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via your reseller or distributor ? Call to Action Upgrade your UniFi setup with dependable 10 Gb/s copper connectivity today Thanks for choosing YOUR TRUSTED IT PARTNER.
