WD Western Digital Caviar Blue WD5000AAKB IDE ATA/100

SKU / Model: WD5000AAKB

Product overview

Western Digital Caviar Blue WD5000AAKB IDE ATA/100 Solid performance - With SATA and PATA interfaces and cache sizes up to 32 MB, this series of drives offer a full range of performance features. Capacity - We offer WD Caviar Blue drives with capacities up to 1 TB because you can never have too much storage space. Reliability - We understand the importance of your data, and we are committed to protecting that data with exceptionally reliable products, advanced data protection technology and superior customer support. Cool - Keeping the drive cool enhances reliability. WD continues to develop new and innovative ways to keep drives cool while they are operating. Quiet - The technology that Tom’s Hardware Guide called "very fast and nearly silent" is used throughout this family of drives. Our WhisperDrive technology minimizes noise to levels near the threshold of human hearing. To cut seek noise, SoftSeek technology streamlines read/write seeking algorithms, resulting in more efficient operation.
