

Bambu Lab FAC128 Nozzle Offset Calibration Sensor - H2D,H2D

SKU / Model: FAC128

Product overview

? Product Name Bambu Lab FAC128 Nozzle Offset Calibration Sensor Compatible with H2D and H2D Pro 3D Printers ? Product Overview The Bambu Lab FAC128 Nozzle Offset Calibration Sensor is a genuine replacement part designed for the H2D and H2D Pro printers. It ensures accurate nozzle offset detection, enabling precise calibration for multi-nozzle and high-speed printing. By maintaining correct nozzle positioning, this sensor helps deliver consistent print quality and reduces the risk of layer misalignment. ? Top Highlights ? Accurate Calibration Ensures precise nozzle offset detection ? Perfect Fit Designed specifically for H2D and H2D Pro printers ? Consistent Quality Maintains alignment for reliable prints ? Easy Replacement User-installable with straightforward setup ? Genuine Part Official Bambu Lab accessory for guaranteed compatibility ? Technical Details Specification Details SKU FAC128 Compatibility Bambu Lab H2D, H2D Pro Type Nozzle Offset Calibration Sensor Function Detects and calibrates nozzle offset for accurate alignment Material Electronic sensor with protective housing Packaging Weight 0.04 kg Packaging Size 100 x80 x30 mm ? Why You Should Buy It ? Ensures precise nozzle alignment for consistent print quality ? Genuine Bambu Lab replacement part for guaranteed fit ? Reduces risk of misaligned layers and print defects ? Quick installation with minimal downtime ? Recommended Use Cases ? Replacing a faulty or worn calibration sensor ? Maintaining nozzle accuracy in multi-nozzle printing ? Ensuring reliable performance in professional environments ? Keeping spare sensors ready for quick maintenance ? Customer Assurance ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Keep your H2D printers calibrated and precise order the Bambu Lab FAC128 Nozzle Offset Calibration Sensor today. Thanks for choosing YOUR TRUSTED IT PARTNER.
