D-Link DMC-810SC/E 1000Base-TX to 1000Base-LX (SC, Single-m

SKU / Model: DMC-810SC/E

Product overview

? Product Name D-Link DMC-810SC/E 1000Base-TX to 1000Base-LX Fiber Media Converter (SC, Single-mode, 10km, Compatible with DMC-1000 Chassis) ? Product Overview The D-Link DMC-810SC/E is a high-performance fiber media converter designed to extend Gigabit Ethernet connectivity over single-mode fiber up to 10 km. It seamlessly converts 1000Base-TX copper connections to 1000Base-LX fiber, making it ideal for enterprises, service providers, and campus networks requiring reliable long-distance communication. Fully compatible with the modular DMC-1000 chassis, it ensures scalable deployment and centralized management. ? Top Highlights ? Gigabit Conversion Converts 1000Base-TX copper to 1000Base-LX fiber ? Extended Reach Supports single-mode fiber links up to 10 km ? SC Connector Standardized interface for secure fiber connections ? Chassis Compatibility Works with DMC-1000 modular chassis ? Reliable Performance Ensures stable, high-speed data transmission ? Technical Details Specification Details Model DMC-810SC/E Conversion Type 1000Base-TX (RJ-45) to 1000Base-LX (SC, single-mode) Fiber Type Single-mode Maximum Distance Up to 10 km Connector Type SC Data Rate 1 Gbps full-duplex Compatibility DMC-1000 chassis Form Factor Standalone module or chassis-based Operating Temperature 0℃ to 40℃ Storage Temperature -10℃ to 70℃ Humidity 10% to 90% non-condensing Power Supply Via external adapter or DMC-1000 chassis ? Why You Should Buy It ? Extends Gigabit Ethernet over single-mode fiber ? Ensures compatibility with modular DMC-1000 chassis ? Provides secure SC fiber connectivity ? Designed for enterprise-grade reliability ? Recommended Use Cases ? Connecting remote buildings across a campus ? Extending backbone links in enterprise networks ? Service provider long-distance fiber deployments ? Secure fiber uplinks for data centers ? Customer Assurance ? Warranty / Guarantee: Coverage available through manufacturer support ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Upgrade your network with dependable Gigabit fiber conversion today. Thanks for choosing YOUR TRUSTED IT PARTNER.
