

WD G-Technology 14TB 0G10429-1 G-Drive with Thunderbolt-3 E

SKU / Model: 0G10429-1

Product overview

G-Technology 14TB G-Drive with Thunderbolt 3 0G10429-1 External Hard Drive Expand your storage capabilities with the G-Technology 14TB G-Drive with Thunderbolt 3, designed for creative professionals and power users who need high-capacity, high-speed external storage.

With 14TB of storage, this drive provides ample space for large media files, video projects, and backups. The Thunderbolt 3 interface delivers ultra-fast data transfer speeds, making it ideal for 4K video editing, content creation, and large-scale file management. Encased in a sleek, durable aluminum enclosure, the G-Drive offers reliable performance, effective heat dissipation, and a professional aesthetic that complements any workspace. Plug-and-play compatible with macOS and Windows (reformatting may be required for Windows), it's a powerful and portable solution for modern storage needs. ? Top Highlights ? 14TB
