HP LaserJet Toner Collection HP Waste Toner Unit - Laser - 9000

SKU / Model: 3WT90A

Product overview

HP Toner LaserJet Collection Unit (3WT90A) The HP 3WT90A Toner Collection Unit, also known as a waste toner container, is a critical maintenance component for specific HP Color LaserJet Enterprise printers. Its primary function is to collect excess toner that is not transferred to the paper during the printing process. By doing so, it helps ensure that your printer continues to operate efficiently and produce clean, crisp, and high-quality prints without smudges or streaks. This genuine HP accessory is designed for simple, user-friendly replacement and boasts an impressive page yield of approximately 90,000 pages. Replacing this unit when prompted by the printer's control panel is a key part of routine printer maintenance, helping to maximize your business's efficiency and prevent damage to the machine. HP's original collection unit includes anti-fraud technology and is part of their Planet Partners Programme, which promotes easy and free recycling.
