

MOZA Racing AS008 MOZA MTP Throttle Panel

SKU / Model: AS008

Product overview

? Product Name MOZA Racing AS008 MTP Throttle Panel Multi-Lever Flight Simulator Control System ? Product Overview The MOZA Racing AS008 MTP Throttle Panel is engineered for flight simulation enthusiasts and professionals who demand realistic throttle control. Featuring multiple levers, customizable resistance, and aerospace-grade construction, it replicates the feel of real aircraft throttle systems. With seamless PC integration and compatibility with major flight simulation titles, it enhances immersion and precision for training and competitive aviation setups. ? Top Highlights ? Multi-Lever Design Realistic throttle control for aviation simulation ? Customizable Resistance Adjust throttle feel to match aircraft type ? Aerospace-Grade Build Durable and precise construction ? Ergonomic Layout Comfortable and intuitive control placement ? PC Compatibility Works with major flight simulation software ? Technical Details Specification Details Model Reference AS008 Control Type Throttle Panel Lever Count Multi-lever design for throttle, mixture, and propeller control Construction Aerospace-grade alloy and precision components Adjustability Customizable resistance and lever tension Connectivity USB interface, plug-and-play Compatibility PC flight simulation software Use Case Flight training and immersive simulation ? Why You Should Buy It ? Realistic throttle control with multi-lever design ? Durable aerospace-grade construction ? Adjustable resistance for personalized feel ? Seamless PC integration for flight simulators ? Recommended Use Cases ? Flight simulation training ? Professional pilot practice setups ? Enthusiast-level flight rigs ? Immersive aviation experiences on PC ? Customer Assurance ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Enhance your flight simulation with the MOZA AS008 MTP Throttle Panel precision at your fingertips. Thanks for choosing YOUR TRUSTED IT PARTNER.
