

WINYAO E575T2 Dual Port Pci E X1 Gigabit Ethernet Network

SKU / Model: E575T2

Product overview

? Product Name Winyao E575T2 Dual-Port PCI-E X1 Gigabit Ethernet Network Adapter
Based on Intel 82575 Controller, RJ45 Copper Interface ? Product Overview The Winyao E575T2 is a dual-port Gigabit Ethernet adapter designed for servers, workstations, and virtualized environments requiring stable multi-port connectivity. Powered by the Intel 82575 controller, it supports advanced offloading, virtualization queues, and low-latency packet processing. Ideal for enterprise networking, industrial control, and high-throughput applications. ? Top Highlights ? Dual RJ45 Ports Supports two independent Gigabit Ethernet channels ? Intel 82575 Chipset Integrated MAC + PHY + SERDES for high reliability ? Advanced Offloading TCP/UDP/IP checksum and segmentation offload ? Virtualization Support VMDq, SR-IOV, and Direct Cache Access (DCA) ? IEEE Compliance Supports 802.3az, 802.3ad, 802.1Q, and 802.3x standards ? Technical Details Specification Details Model Number E575T2 Chipset Intel 82575 Interface PCI Express X1 Ports 2 x RJ45 (UTP) Speed 10/100/1000 Mbps (Auto-negotiation) Standards IEEE 802.3az, 802.3ad, 802.1Q, 802.3x Offload Features Checksum, TSO, SCTP, MSI/MSI-X Virtualization VMDq, SR-IOV, DCA Jumbo Frame Support Up to 9.5KB LED Indicators Link / Activity / Speed Operating System Windows, Linux, VMware ? Why You Should Buy It ? Dual-port design for link aggregation and multi-network segmentation ? Intel 82575 controller ensures enterprise-grade reliability and performance ? Advanced virtualization and offloading features reduce CPU load ? Fully compliant with major IEEE networking standards ? Recommended Use Cases ? Server and workstation multi-port networking ? Virtualized environments with VLAN segmentation ? Industrial control systems requiring stable Ethernet ? High-throughput data transfer and link aggregation ? Customer Assurance ? Warranty / Guarantee: Coverage available through manufacturer support ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Deploy dependable dual-port Gigabit networking with Winyao s virtualization-ready E575T2 adapter. Thanks for choosing YOUR TRUSTED IT PARTNER.
