

APPLE MXK73CV/A Magic Keyboard with Touch ID and Numeric

SKU / Model: MXK73CV/A

Product overview

APPLE MXK73CV/A Magic Keyboard with Touch ID and Numeric Keypad for Mac models with Apple silicon - Chinese (Pinyin) - White Keys Magic Keyboard is available with Touch ID, providing fast, easy, and secure authentication for logins and purchases. Magic Keyboard with Touch ID and Numeric Keypad delivers a remarkably comfortable and precise typing experience. It features an extended layout, with document navigation controls for quick scrolling and full-size arrow keys, which are great for gaming. The numeric keypad is also ideal for spreadsheets and finance applications. It's wireless and features a rechargeable battery that will power your keyboard for about a month or more between charges. It pairs automatically with your Mac, so you can get to work right away. It features a USB-C port and includes a woven USB-C Charge Cable that lets you pair and charge by connecting to a USB-C port on your Mac, so you can charge all of your favorite devices with just a single cable.
