Product overview

Jabra Evolve2 85 MS Wireless Headphones (Link380c & Charging Stand, Black, Binaural, ANC)

The Jabra Evolve2 85 MS is a premium wireless headset designed for professionals who need superior audio quality, comfort, and productivity. Certified for Microsoft Teams, it ensures seamless collaboration and crystal-clear voice communication in busy offices or remote setups. Equipped with active noise cancellation (ANC), the headset effectively blocks background noise, allowing users to concentrate on calls, meetings, or focused work. Its binaural, over-the-head design with memory foam ear cushions delivers all-day comfort and immersive stereo sound for both voice and multimedia. Connectivity is managed via the Link380c USB adapter, providing a stable wireless connection up to 30 meters, while the included charging stand keeps the headset powered and ready at all times. The headset offers up to 37 hours of battery life, with fast charging to quickly resume use. Integrated microphones with advanced voice pickup technology deliver professional-grade call clarity, making it ideal for virtual meetings, conference calls, and collaborative work. The headset also features on-ear controls for calls, volume, and media, plus a busylight indicator to show availability. Perfect for remote workers, office professionals, and audio-focused users, the Jabra Evolve2 85 MS combines premium audio, comfort, and practical features for an all-in-one communication solution.
