

Seagate 1TB ONE TOUCH PORTABLE W RESCUE-GRY Seagate

SKU / Model: STKY1000404

Product overview

Seagate One Touch 1TB Grey External Hard Drive Features: Store and access photos and files on the go with Seagate One Touch HDD. Featuring quick plug-and-play USB 3.0 connectivity to Windows or Mac, consolidate files with a single click or schedule automatic daily, weekly or monthly backups. Plus edit, manage, and share photos with a one-year complimentary subscription to Mylio Create and a four-month membership to Adobe Creative Cloud photography plan. Big Things Come in Small Packages We can all use some extra space. To store our digital content, that is. That's why we designed the One Touch family of HDDs and SSDs premium, high-capacity, portable storage to help you manage your digital world with ease and confidence. Durable and dependable, keep your content with you so it's ready to access whenever you need it. High Capacity. Stellar Style. Refined and understated. Cosy and textured. One Touch comes in an array of styles and capacities made to compliment your signature look. And whether you're storing yearly tax documents or ever-growing collections of high-res photos, capacity won't be an issue. Measurably Small. Amazingly Fast. Accelerate your performance and score some downtime with One Touch SSD. With speeds up to 1,030 MB/s4 to transfer large files without delay, an Android app to backup photos and videos freeing up device space plus up to 2 TB capacity and simple plug-n-play USB-C Windows and Mac compatibility to keep files handy. Travel-sized and styled right, work seamlessly from the drive wherever you are. An External SSD Outfitted for Android With One Touch SSD, backup your Android's videos, photos, and more and free up extra space on your device! Featuring USB-C connectivity and our new Android backup app (download via the Google Play Store. Click here if the Google Play Store is not available.) Transfers are quick and easy, and OneTouch SSD is perfect for taking your content on the go. Click here for a list of devices that have been factory-tested for compatibility. Convenient Backup With One Touch SSD you can enjoy continuous auto backup, mirror folders for seamless file management, and get the effortless file protection of Sync Plus software. With One Touch HDD, schedule automatic hourly, daily, weekly, or monthly backups to keep all your files consolidated into one place. Whatever your backup style, One Touch offers an easy-to-use solution for you. Advance Data Encryption Need a hard drive that goes above and beyond the call of duty? Opt for One Touch with password external hard drives with data security. Thanks to its password protection and AES-256 hardware encryption the same standard used by the U.S. government and global intelligence agencies you can rest easy knowing your digital life is secure.
