

WINYAO E5719T4 Winyao PCI-E X4

SKU / Model: E5719T4

Product overview

? Product Name Winyao E5719T4 PCI-E X4 Quad-Port Gigabit Ethernet Network Adapter

Based on Broadcom BCM5719 Controller, RJ45 Copper Interface ? Product Overview The Winyao

E5719T4 is a high-performance quad-port Gigabit Ethernet adapter designed for servers, workstations, and industrial applications requiring stable multi-port connectivity. Built on the Broadcom BCM5719 chipset, it supports advanced offloading features, link aggregation, and VLAN tagging, making it ideal for virtualized environments and high-throughput networking.

? Top Highlights ? Quad RJ45 Ports Supports four independent Gigabit Ethernet channels ? Broadcom BCM5719 Chipset Enterprise-grade MAC + PHY + SERDES integration ? Advanced Offloading TCP/UDP/IP checksum and segmentation offload ? Low CPU Utilization Deep packet buffering and hardware acceleration ? IEEE Compliance

Supports 802.3az, 802.3ad, 802.1Q, and 802.3x standards ? Technical Details Specification Details Model Number E5719T4 Chipset Broadcom BCM5719 Interface PCI Express X4 Ports 4 x RJ45 (UTP) Speed 10/100/1000 Mbps (Auto-negotiation) Standards IEEE 802.3az, 802.3ad, 802.1Q, 802.3x Offload Features Checksum, TSO, SCTP, MSI/MSI-X Jumbo Frame Support Up to 9.5KB LED Indicators Link / Activity / Speed VLAN Support 802.1Q VLAN Tagging Flow Control 802.3x Operating System Windows, Linux, VMware ? Why You Should Buy It ? Enterprise-grade reliability with Broadcom BCM5719 controller ? Quad-port design for link aggregation and multi-network segmentation ? Advanced offloading reduces CPU load and boosts performance ? Fully compliant with major IEEE networking standards ? Recommended Use Cases ? Server and workstation multi-port networking ? Virtualized environments with VLAN segmentation ? Industrial control systems requiring stable Ethernet ? High-throughput data transfer and link aggregation ? Customer Assurance ? Warranty / Guarantee: Coverage available through manufacturer support ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Upgrade your network backbone with Winyao s quad-port Gigabit solution built for performance and control. Thanks for choosing YOUR TRUSTED IT PARTNER.
