

Bambu Lab FAF017 Chamber Exhaust Fan - H2D,H2D Pro,H2S

SKU / Model: FAF017

Product overview

? Product Name Bambu Lab FAF017 Chamber Exhaust Fan Compatible with H2D, H2D Pro, H2S Series ? Product Overview The Bambu Lab FAF017 Chamber Exhaust Fan is a critical cooling component designed for H2D, H2D Pro, and H2S printers. It regulates airflow within the print chamber, removing excess heat and maintaining stable environmental conditions. By ensuring consistent chamber ventilation, it supports reliable performance when printing with temperature-sensitive materials. ? Top Highlights ? Efficient Ventilation Maintains stable chamber airflow ? Optimized Compatibility Designed for H2D, H2D Pro, and H2S printers ? Easy Replacement Direct installation with standard connectors ? Durable Construction Built for long-term continuous operation ? Consistent Performance Supports reliable printing with sensitive materials ? Technical Details Specification Details Model Number FAF017 Component Type Chamber Exhaust Fan Compatibility Bambu Lab H2D, H2D Pro, H2S Primary Function Removes excess heat and regulates chamber airflow Installation Method Direct replacement with plug-in connector Material Plastic housing with brushless motor Fan Type High-speed exhaust cooling fan Operating Voltage DC 24 V Dimensions Approx. 60 ×60 ×15 mm Packaging Size Approx. 90 ×70 ×50 mm Packaging Weight Approx. 0.08 kg ? Why You Should Buy It ? Prevents overheating inside the print chamber ? Compatible with multiple H2 series printers ? Quick installation with reliable fit ? Durable design for long-term continuous use ? Recommended Use Cases ? Replacing worn or faulty chamber exhaust fans ? Maintaining stable chamber conditions for ABS, PC, and other heat-sensitive materials ? Supporting consistent print quality in high-volume workflows ? Ensuring reliable thermal management during extended print sessions ? Customer Assurance ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Ensure stable chamber airflow add the FAF017 Exhaust Fan to your H2 printer today. Thanks for choosing YOUR TRUSTED IT PARTNER.
