

Bambu Lab SPP038 AMS Internal Hub Motor - EOL

SKU / Model: SPP038

Product overview

? Product Name Bambu Lab SPP038 AMS Internal Hub Motor End of Life (EOL)

Compatible with AMS ? Product Overview The Bambu Lab SPP038 AMS Internal Hub Motor is an official component designed to drive filament feeding within the Automatic Material System (AMS). As an End of Life (EOL) part, it is no longer in active production but remains critical for maintaining AMS functionality in existing units. Engineered for precision and durability, this hub motor ensures smooth and reliable multi-material printing workflows.

? Top Highlights ? Internal Hub Motor Drives AMS filament feeding ?

Official Component Designed for AMS compatibility ? Consistent Performance

Ensures smooth multi-material printing ? Durable Build Precision-engineered for

long-term reliability ? EOL Part Essential for maintaining legacy AMS systems ?

Technical Details Specification Details Model SPP038 Component Type AMS Internal Hub Motor

Compatibility Bambu Lab AMS Function Provides motorized drive for filament feeding Materials

Precision-engineered motor assembly Status End of Life (EOL) Packaging Size Approx. 120 ×

80 ×40 mm Packaging Weight Approx. 0.14 kg Installation Direct replacement, plug-and-play

fit ? Why You Should Buy It ? Maintains AMS functionality in legacy systems ?

Officially designed for Bambu Lab AMS ? Durable and reliable motor assembly ? Essential

replacement for continued performance ? Recommended Use Cases ? Replacing faulty or

worn AMS hub motors ? Maintaining AMS reliability in legacy setups ? Supporting

multi-material printing workflows ? Extending the lifespan of AMS units ? Customer

Assurance ? Returns Policy: Returns accepted as per standard reseller terms and

conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking

support ? Customer Support: Assistance available via official support channels and

authorized resellers ? Call to Action Maintain your AMS system s reliability secure

the SPP038 Internal Hub Motor while available. Thanks for choosing YOUR TRUSTED IT

PARTNER.
