

Lenovo USB-C Dock (Windows Only) Lenovo USB Type C Docking Station

SKU / Model: 40B50090UK

Product overview

Product as the Hero The Lenovo USB-C Dock (Windows Only) is designed to provide reliable connectivity and expand your laptop's capabilities. Compatible exclusively with Windows laptops, this dock allows connection to multiple monitors, USB peripherals, audio devices, and wired networks simultaneously. Its integrated power delivery keeps your laptop charged while connected to all devices, eliminating downtime and interruptions. Supporting high-resolution displays, the dock ensures crisp visuals for presentations, multitasking, and creative work. The dock features multiple USB-A and USB-C ports, Gigabit Ethernet, and audio input/output, allowing seamless integration with modern and legacy peripherals. Its compact and durable design keeps your workspace organized while providing stable, high-speed connections. Plug-and-play functionality ensures effortless setup, so your workstation is ready in seconds. Ideal for office, home, and hybrid work environments, the dock enhances productivity by centralizing all connections. With fast data transfer speeds and robust device support, this dock is perfect for IT managers, professionals, and hybrid workers who need reliability and efficiency. Its professional design maintains a clean, clutter-free workspace while supporting everyday business needs. Lightweight yet sturdy, the Lenovo USB-C Dock (Windows Only) ensures optimal performance and convenience for daily use. Key Features
